

eSCANCharge®

HYBRIDKABLER DER SAMLER TRÅDENE

FORDELE VED eSCANCharge®

- Ét kabel - du sparer installationstid og omkostninger
- Forbedret "vandalsikring"

FREMTIDENS LØSNING ER KLAR TIL LEVERING

Scankab har endnu engang hævet overliggeren og udvidet sortimentet af unikke hybridkabler.

”Med **eSCANCharge**® hybridkablerne fra Scankab kommer du hurtigt i front med dine el-ladeinstallationer.

Installationer med powerkabel og et løst bus- eller CAT-kabel ved siden af hører fortiden til. Fremover skal du blot anvende ét af **eSCANCharge**® hybridkablerne og din opgave er løst.”

Søren Porse
Technical Manager, Scankab

The background of the entire page is a photograph of a row of four black and silver eSCANCharge electric vehicle charging stations. Each station has a circular logo on top with a stylized 'Z' and a green light. The stations are partially obscured by green bushes in the foreground. The overall scene is outdoors with trees and a building in the background.
